

CRANLEIGH - LUXURY LODGE

Pushing the boundaries in both structural styling and interior design, the new, flagship, Cranleigh Lodge is built to impress.

The distinctive exterior hosts panoramic windows to the front and striking anthracite stone effect feature cladding, giving it plenty of character and individuality.

There's a feeling of opulence inside, and key features include drop flooring from the kitchen to lounge, a cylindrical electric log burner in the lounge, and a plush master bedroom with a super king-size divan, large-built-in wardrobe, en-suite shower room and stylish window seat.

With an architectural feel and an interior layout that pushes the boundaries via uniquely positioned features.

If you're looking for an affordable and practical holiday home with impact and style, this may well be the one!

Stay warm and cosy throughout the year with BS 3632 Residential Specification now available on this model!

This model is now available in BS 3632 – the British Standard for residential park homes. A caravan holiday home built to BS 3632 means better insulation and energy efficiency so you can enjoy it throughout the year.
